Denial

**OF STATE ENGINEER**

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

on the grounds that additional information has not been filed in accordance with Nevada Revised Statutes 533.375 and also the granting of this permit without full compliance with the provisions of the Ruling dated January 26, 1961, would not be in the public interest.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed cubic feet per second.

Actual construction work shall begin on or before

Proof of commencement of work shall be filed before

Work must be prosecuted with reasonable diligence and be completed on or before

Proof of completion of work shall be filed before

Application of water to beneficial use shall be made on or before . Proof of the application of water to beneficial use must be filed with State Engineer on or before

Filed Jul. 12, 1957 under 17285 WITNESS MY HAND AND SEAL this 7th day of December, 1966

GEORGE. W. HENNEN
State Engineer.
