DENIAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, deny and do hereby deny the same, subject to the following limitations and conditions:

on the grounds that the applicant does not have a range allotment for the area covered by this application, and the granting of a permit under this application without a range allotment would be detrimental to the public welfare.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed cubic feet per second.

Actual construction work shall begin on or before

Proof of commencement of work shall be filed before

Work must be prosecuted with reasonable diligence and be completed on or before

Proof of completion of work shall be filed before

Application of water to beneficial use shall be made on or before

Proof of the application of water to beneficial use must be filed with State Engineer on or before

WITNESS MY HAND AND SEAL this 13th day

of March 1969

[Signature] State Engineer.
