15. Remarks

The amount of water to be changed under Item 2 reflects a reduction from the decreed amount to 2.5 acre-feet/acre, based upon the provisions of the Carson River Final Decree.
Use maps on file at the Division of Water Resources under Application 60149 to support the proposed point of diversion and under Application 60340 to support the proposed place of use and the existing point of diversion and place of use.
Ready for action Application 60341 proposes to change the same base right and will be withdrawn contingent upon approval of this application. In addition, the Carson River water rights to be changed are the same as those described in the November 30, 1995, letter to Steve Brown regarding Application 60341.
Please send copies of all correspondence and notices related to this application to Winters Sunrise Properties, Post Office Box 2233, Dayton, Nevada 89403.
