STATE OF NEVADA
COUNTY OF CLARK } S.S.

I, L. A. Harris, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me between the 6 day of October, 1937, and the 15 day of January, 1938; that it truly and correctly represents the location and extent of the proposed works used to divert water from Scout & Clark Canyon Springs in Clark County by U.S. Forest Service for domestic and public use. That the proposed points of diversion, the approximate location and size of the diverting channels or other conduits, the place and manner of use, and the location and names of all other works or streams which are crossed by, or connected with the said works, are fully and correctly designated thereon.

L. A. Harris
STATE WATER RIGHT SURVEYOR
