I, F. R. O'Leary, being first duly sworn, depose and say that this map has been correctly drawn to the designated scale from field notes of a survey made under my supervision and direction the 7th day of May, 1939; that it truly and correctly represents the location and extent of the proposed works used to divert water from No-Name Springs, in Washoe County, by Mrs. Effie M. Fisk, for mining purposes. That the proposed point of diversion, and return, the location of the mine, the approximate size and capacity of the diverting conduit, and the location and names of all other works or streams which are crossed by or connected with said works are fully and correctly designated hereon.
