The applicant **Pioneer Inn Associates LP, a Nevada limited partnership**, hereby makes application for permission to change the **point of diversion** of water heretofore appropriated under **Permit 20267**

****

1. The source of water is **Truckee River**

2. The amount of water to be changed **2.96 cfs**

3. The water to be used for **fish rearing (non-consumptive use)**

4. The water heretofore permitted for **fish rearing (non-consumptive use)**

5. The water is to be diverted at the following point **Lot 7, of NE¼ Section 18, T19N, R18E, MDB&M, from the Truckee River. See attached partial reproduction of map under Permit 20267 for point of diversion.**

6. The existing permitted point of diversion is located within **the SE¼ SE¼ Sec 19, T19N, R18E MDB&M, at a point from which the SE corner of said Sec 19 bears S 39°58" E a distance of 845 feet.**

7. Proposed place of use **within the NW¼ NE¼ Sec 18, T19N, R18E MDB&M**

8. Existing place of use **within the NW¼ NE¼ Sec 18, T19N, R18E MDB&M**

9. Use will be from **January 1st** to **December 31st** of each year.

10. Use was permitted from **January 1st** to **December 31st** of each year.

11. Description of proposed works **Water will be pumped from the Truckee River and placed in a storage reservoir for fish propagation. The place of use is unchanged. Overflow will return to the Truckee River.**

12. Estimated cost of works **$150,000**

13. Estimated time required to construct works **two years**

14. Estimated time required to complete the application of water to beneficial use **3 years**

15. Remarks: **The Coldron Ditch, at a point downstream of the fish hatchery, is in such a disreputable condition that water cannot flow through the entire ditch. Portions of the Coldron Ditch upstream of the old fish hatchery are similarly in disrepair, but can carry some water. In an effort to conserve water, lessening seepage loss, the applicant wishes to divert its non-consumptive water directly from the Truckee River. Water will be utilized for fish rearing purposes. Use map under Permit 20267 for place of use.**
