15. Remarks

This application to change Proof 01276 (Amended) is to be co-mingled with applications to change Proof 01275 and to Permits 2010, 2579 and 4048 and also to a new appropriation from Red Mountain Creek.

The waters appropriated under Proof 01276 were originally claimed by Gerlach Livestock Company. Said Proof made a claim for all of the waters of Hot Springs.

Water has been historically conveyed from the source via a series of ditches and reservoirs for use within the place of use.

Use the maps on file under Proof 01276 for the existing and proposed points of diversion and the existing place of use.

The total land area to be irrigated by this application and applications 65936 and 65938 through 65941 shall not exceed 2000 acres from all sources.
