STATE OF NEVADA
County of Clark

I, J. F. Hesse, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me between the 22nd & 25th days of April, 1941; that it truly and correctly represents the location and extent of the proposed works used to divert water from Las Vegas Valley artesian basin or subterranean channel in Clark County by Wilson & Mikkelsen for irrigation and domestic purposes. That the proposed point of diversion, the approximate location and size of diverting channel or other conduit, the place and manner of use, the location and name of all other works or streams which are crossed by or connected with the said works, are fully and correctly designated thereon.
