_____, Engineer.

APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application,
and do hereby grant the same, subject to the following limitations and
conditions: This Permit is issued subject to all prior rights. It is
understood that the one cubic foot of water per second herein granted
is only a temporary allowance and that the final water right obtained
under this permit will be dependent upon the amount of water actually
placed to a beneficial use. A suitable measuring device must be in-
stalled and accurate measurements of the water placed to a beneficial
use must be included in the proof of such use when filed. The State
reserves the right to regulate the use of the water herein granted at
any and all times.

The amount of water to be appropriated shall be limited to the amount
which can be applied to beneficial use, and not to exceed one
cubic feet per second.

Actual construction work shall begin on or before May 1, 1930

Proof of commencement of work shall be filed before June 1, 1930

Work must be prosecuted with reasonable diligence and be completed on or
before May 1, 1933

Proof of completion of work shall be filed before June 1, 1933

Application of water to beneficial use shall be made on or before
May 1, 1935

Proof of the application of water to beneficial
use must be filed with State Engineer on or before June 1, 1935

Map filed June 19, 1928

WITNESS MY HAND AND SEAL this 23rd

Cancelled July 30, 1935 because of failure of
applicant to comply with provisions of permit. of December, 1929
