Attachment "A"

Item 4 (a)

This application is filed as part of the implementation of the operating agreement as described in Section 205 (a) of Title II of Public Law 101-618, which is referred to as the Truckee River Operating Agreement. This secondary application is filed for permission to use for wildlife purposes water stored pursuant to the Primary Application at the places of use described herein. It is one of three applications for secondary permits to be issued under the Primary Application. The quantity of water which may be released and used from storage under this and related secondary permits in any one year will not exceed the amounts allowed by the Truckee River Operation Agreement. The water released from one of more of the reservoirs described in Attachment "B" may be used for wildlife purposes within the limits of the natural stream bed and banks of the Truckee River from the existing reservoirs to Pyramid Lake.
