
STATE OF NEVADA }
COUNTY OF ESMERALDA } S.S.

I, Ed. S. Giles being first duly sworn, depose and say that this map consisting of one sheet, has been correcly drawn to the designated scale from field notes of a survey made by me on the first day of November, 1942 Together with data by applicant: That it truly and correctly represents the works and the location and extent of said works to divert water from Troy Creek in Nye County - by Ross F. Steele, for Mining and Milling purposes: That the proposed point of diversion, the approximate position of the diverting conduit, the location and names of all other works which will cross or connect with the proposed works, and the boundaries of all lands, showing by 40 acre subdivisions, the location of the point of diversion, development and place of use, are fully and correctly designated thereon.

Ed. S. Giles
