

STATE OF NEVADA
COUNTY OF ESMERALDA } ss.

I, Ed. S. Giles, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me on the 24th day of October, 1946 and correctly represents the location and extent of the works used to divert water from an underground flow in Nye County by H.H. Costerisan for irrigation purposes: That all other works and streams which are crossed by or are connected with the said works and the boundaries of the land to be irrigated are correctly designated thereon together with the proposed point of diversion and the approximate location of the diverting channel, including all reservoirs and basins.

Ed. S. Giles
STATE WATER RIGHT SURVEYOR.

Subscribed and sworn to before me.
This 28th day of October, 1946.
