
STATE OF NEVADA,
County of Washoe } S.S.

I, D.H. Updike, being first duly sworn, depose and say that this map, consisting of one sheet has been correctly drawn to the designated scale from field notes of a survey made by me on the 25th day of January 1948; that it truly and correctly represents the proposed location and extent of the works used to divert water from an unnamed spring in Washoe County by W.F. Sauer for stock irrigation and domestic purposes. That that the proposed point of diversion, the approximate location and size of the diverting channel, all the reservoirs or basins, the location and names of all other, and the boundary of all lands, showing by 40 acre subdivisions the areas proposed to be irrigated, are fully and correctly designated thereon.

D.H. Updike
State Water Right Surveyor.

Subscribed and sworn to before me this 9th day of February 1948.

Ellen M. Eathes
Notary Public in and for Washoe County Nevada
