DENIAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application,
deny
and do hereby grant the same, subject to the following limitations and
conditions: on the ground that the approval thereof would interfere
with prior existing rights and contravene the policy of the Nevada
Stockwatering Act.

The amount of water to be appropriated shall be limited to the amount
which can be applied to beneficial use, and not to exceed _____
cubic feet per second.

Actual construction work shall begin on or before _____

Proof of commencement of work shall be filed before _____

Work must be prosecuted with reasonable diligence and be completed on or
before _____

Proof of completion of work shall be filed before _____

Application of water to beneficial use shall be made on or before _____

Proof of the application of water to beneficial
use must be filed with State Engineer on or before _____
