I, GEORGE VON TOBEL, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me on Sept 7, 1949; that it truly and correctly represents the location and extent of the proposed works to divert water from Las Vegas Artesian Basin in Clark County, by FRANK A. ALLEN, S.D. ALLEN & BERT SMITH for irrigation and domestic purposes. That the point of diversion, approximate location and size of diverting channel or conduit, place and manner of use, and location and extent of all other works or streams which are crossed by or connected with said works, are fully and correctly designated thereon.
