I, Robert S. Leighton, being first duly sworn, depose and say that this map is correctly drawn to the designated scale from field notes of a survey made under my direction and supervision between April 12 & 16, 1954; That it truly represents the proposed works used by ERNA S. LAWLER to divert water from an underground source in Humboldt County for irrigation and domestic purposes. That the point of diversion and boundaries of all lands by 40 Acre subdivision proposed to be irrigated are correctly designated hereon.
