ASSIGNED

Application No. 5316 Certificate Record No. 581 Book 4 Page 581

THE STATE OF NEVADA

CERTIFICATE OF APPROPRIATION OF WATER

WHEREAS, Alex J. Mackie for appropriators named below has presented to the State Engineer of the State of Nevada Proof of Application of Water to Beneficial Use, from Watershed of the Pahroc and Highland Ranges through "Point of Rocks" Reservoir for Stockwatering purposes. The point of diversion of water from the source is as follows: at a point approximately in the NW¼NE¼ Sec. 31, T. 3 S.R. 64 E., from whence the SE corner of T. 4 S.R. 63 E., bears S. 4°40'.W., 37000 feet,

situated in Lincoln County, State of Nevada.

Now Know Ye, That the State Engineer, under the provisions of Section 78, Chapter 140, Statutes of 1913 has determined the date, source, purpose and amount of such appropriation, together with the place to which such water is appurtenant, as follows:

Name of appropriators Alex J. Mackie 2/3 interest. S. E. Henrie 1/3 interest.

Postoffice address Caliente, Lincoln County, Nevada.

Amount of appropriation Four (4) acre feet of water per annum.

Period of use, from September 1st to April 1st of the following year.

Date of priority of appropriation November 20th, 1918.

Description of works of diversion and use: The flood waters from the Pahroc and Highland Ranges are collected in a reservoir known as "Point of Rocks" Reservoir, which is 25' wide, 45' wide and 4' deep. The reservoir is usually filled twice, once in the spring and once in the fall, and used to water 6000 head of sheep when the water supply is sufficient for that number. The allowance of four (4) acre feet per annum permits the filling of the reservoir twice and gives due consideration to evaporation losses.

The right to water hereby determined is limited to the amount which can be beneficially used, not to exceed the amount above specified, and the use is restricted to the place where acquired and to the purpose for which acquired.

IN TESTIMONY WHEREOF, I, J. S. Sarsghem, State Engineer of Nevada, have hereunto set my hand and the seal of my office, this 8th day of February, A.D. 1922.

J. S. Sarsghem
State Engineer
