I, W.H. Settelmeyer, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me on the 12th day of August, 1956, and from prints of maps under permits No. 2839 and 3967; that it truly and correctly represents the proposed location and extent of the works used to divert water from Deep Creek, in Elko County, by William E. Duffin & Stella Vincent, for irrigation purposes. That all other works or streams that are crossed by or connected with said works, and the boundary of all lands, showing by 40-acre subdivisions the acres proposed to be irrigated, are fully and correctly designated thereon.
