APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit to change the place of use and manner of use of the waters of Peavine Creek as heretofore granted under Permit 10195, Certificate 2696, is issued subject to the terms and conditions imposed in said Permit 10195, Certificate 2696, and with the understanding that no other rights on the source will be affected by the change proposed herein. A substantial headgate and measuring device must be installed and maintained to facilitate the measurement and control of water. The State reserves the right to regulate the use of the water under this proposed change at any and all times.

The amount of water to be changed shall be limited to the amount which can be applied to beneficial use, and not to exceed 5.0 cubic feet per second, but not to exceed a yearly duty of 4.0 acre-feet per acre of land irrigated from any and/or all sources.

Actual construction work shall begin on or before August 16, 1979

Proof of commencement of work shall be filed before September 16, 1979

Work must be prosecuted with reasonable diligence and be completed on or before August 16, 1980

Proof of completion of work shall be filed before September 16, 1980

Application of water to beneficial use shall be made on or before August 16, 1983

Proof of the application of water to beneficial use shall be filed on or before September 16, 1983

Map in support of proof of beneficial use shall be filed on or before September 16, 1983

Commencement of work filed MAR 27 1979
Completion of work filed MAR 27 1979
Proof of beneficial use filed
Cultural map filed
Certificate No. Issued
