
STATE of NEVADA }
COUNTY of CLARK } SS.

I, Harlan Brown being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me on the 9th day of November, 1954; that it truly and correctly represents the location and extent of the works used to divert water from the Las Vegas Artesian Basin in Clark County by Sol Freemond, M.L. Josephs and Sidney Roberts for Commercial and domestic purposes under Application No. 11162. That the point of diversion, the location, sizes and grades of the diverting channel, location and description of all measuring devices, the location and extent of the lands owned or controlled by the applicant upon which water applied for under Application No. 11162 is used, together with the area and kind of culture in each 40-acre subdivision, and the location and names of all other works or streams which are crossed by or connected with the said works are fully and correctly designated thereon.
