APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions: This permit is issued subject to all prior rights on the source. It is understood that the 2,000 acre-feet of water per year herein granted is only a temporary allowance and that the final water right obtained under this permit will be dependent upon the amount of water actually placed to a beneficial use. A suitable measuring device must be installed and accurate measurements of the water placed to a beneficial use must be included in the proof of such use when filed. The State reserves the right to regulate the use of the water herein granted at any and all times.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed 2,000.00 acre-feet cubic feet per second per year.

Actual construction work shall begin on or before October 1, 1941

Proof of commencement of work shall be filed before November 1, 1941

Work must be prosecuted with reasonable diligence and be completed on or before October 1, 1944

Proof of completion of work shall be filed before November 1, 1944

Application of water to beneficial use shall be made on or before October 1, 1946. Proof of the application of water to beneficial

use must be filed with State Engineer on or before November 1, 1946

Filed OCT 1 1940

Proof of commencement of work filed DEC 3 1941
Proof of Completion of work filed OCT 24 1955
OF BENEFICIAL USE FILED DEC 1 1955
NATURAL MAP FILED DEC 2 1956
