APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit is issued subject to all prior rights on the source. A valve must be installed and maintained to prevent waste of water and accurate measurements of the water placed to a beneficial use must be taken from time to time. The State reserves the right to regulate the use of the water herein granted at any and all times.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed 0.40 of a cubic foot per second.

Actual construction work shall begin on or before September 15, 1941

Proof of commencement of work shall be filed before October 15, 1941

Work must be prosecuted with reasonable diligence and be completed on or before September 15, 1943

Proof of completion of work shall be filed before October 15, 1943

Application of water to beneficial use shall be made on or before September 15, 1944

Proof of the application of water to beneficial use must be filed with State Engineer on or before October 15, 1944

Map Filed NOV 29 1940

Proof of commencement of work filed NOV 19 1941

Proof of completion of work filed DEC 22 1943

WITNESS MY HAND AND SEAL this 19th day

of March, 1941

Alfred Merritt Smith State Engineer.
