Application No. 5187 Certificate Record No. 708 Book 4 Page 708

THE STATE OF NEVADA

CERTIFICATE OF APPROPRIATION OF WATER

WHEREAS, A. P. Johnson has presented to the State Engineer of the State of Nevada Proof of Application of Water to Beneficial Use, from Willow Springs through a pipeline for Mining, Milling and Domestic purposes. The point of diversion of water from the source is as follows: in the SW part of the SW¼ NW¼ Sec. 26, T.17 S, R.53 E., M.D.B. & M. situated in Nye County, State of Nevada.

NOW KNOW YE, That the State Engineer, under the provisions of Section 72, Chapter 140, Statutes of 1913, has determined the date, source, purpose and amount of such appropriation, together with the place to which such water is appurtenant, as follows:

Name of appropriator A. P. Johnson,

Postoffice address 207 O. T. Johnson Bldg., Los Angeles, Cal.

Amount of appropriation 0.025 of a cubic foot of water per second

Period of use, from January 1st to December 31st of each year, inclusive

Date of priority of appropriation June 27th, 1918

Description of works of diversion and use:-

Water is diverted from the source at the point above described and conveyed through approximately 1½ miles of 2" pipeline and 1½ miles of 1½" pipeline to Grapevine Springs, where it runs into the 4" pipeline from said Grapevine Springs and is conducted to the Johnnie Mine a distance of approximately 2 miles farther, and where it is stored in a 10,000 gallon tank. From this tank the water flows through a 4" main which supplies the water for 12 houses and a 13 stamp mill. There is a fall of approximately 600' in the pipeline from Willow to Grapevine Springs.

The right to water hereby determined is limited to the amount which can be beneficially used, not to exceed the amount above specified, and the use is restricted to the place where acquired and to the purpose for which acquired.

IN TESTIMONY WHEREOF, I, Robert A. Allen, State Engineer of Nevada, have hereunto set my hand and the seal of my office, this 8th day of March, A.D. 1933

Robert A. Allen
State Engineer
