THE STATE OF NEVADA
CERTIFICATE OF APPROPRIATION OF WATER

WHEREAS, W. C. Converse has presented to the State Engineer of the State of Nevada Proof of Application of Water to Beneficial Use, from Rattlesnake Canyon Springs through a small reservoir and pipeline for Mining and Domestic purposes. The point of diversion of water from the source is as follows: on line between the SW¼ SE¼ Sec.28 and the NW¼ NE¼ Sec.33, T.18 N, R.63 E, M.D.B.& M at a point 12963 feet W of the SW corner Sec.25, T.18 N, R.63 E, M.D.B.& M. situated in White Pine County, State of Nevada.

NOW KNOW YE, That the State Engineer, under the provisions of Section 72, Chapter 140 Statutes of 1913, has determined the date, source, purpose and amount of such appropriation, together with the place to which such water is appurtenant, as follows:

Name of appropriator W. C. Converse

Postoffice address P.O. Box 443, McGill, Nevada

Amount of appropriation 0.05 (1/20) of a cubic foot of water per second

Period of use, from April 1st to November 1st of each year, incl.

Date of priority of appropriation November 12th, 1919.

Description of works of diversion and use:-

A dam 18' wide and 4' high, constructed of rock and earth, forms a small reservoir which backs up water for a distance of 20 feet. From this reservoir water is conveyed through 1210' of 1½" and 1" iron pipe to the place of use; 11753' W of the SW corner of Sec.25 T.18 N, R.63 E, or on line between the SE¼ SE¼, Sec.28 and the NE¼ NE¼, Sec. 33, T.18 N, R.63 E, where it is stored in three wooden barrels and used for mining and domestic purposes. The fall of the pipeline is approximately 200 feet.

The right to water hereby determined is limited to the amount which can be beneficially used, not to exceed the amount above specified, and the use is restricted to the place where acquired and to the purpose for which acquired.

IN TESTIMONY WHEREOF, I, Robert A. Allen, State Engineer of Nevada, have hereunto set my hand and the seal of my office, this 8th day of March, A.D. 1923

Robert A. Allen
State Engineer
