- (f) Point of return of water to stream _____
Describe in same manner as point of diversion.
- (g) State number and kinds of animals to be watered _____
- (h) Use will begin about _____ and end about _____, of each year.
Month Month
- (i) Remarks See 7.

DESCRIPTION OF PROPOSED WORKS

Water is to be diverted from the Paradise Valley Artesian Basin by

State manner in which water is to be diverted, whether by dam or other works, whether through pipes, ditches, flumes, or other conduits. If water

means of an artesian well drilled at point of diversion. Said well

is to be stored in reservoirs, it should be so stated and the location of the reservoir should be given with reference to the legal subdivisions.

will be cased with at least 8" casing to first flow and then cemented in

and with at least 4" casing inside said 8" casing to bottom of well.

From top of well to place of use by open ditches. If sufficient flow is not encountered at reasonable depth, applicant intends to install pump.

5. Estimated cost of works \$3,000.00

6. Estimated time required to construct works one year

7. Remarks It is applicant's intention to acquire rights to use of

For use of applicant

water existing in said subterranean channel or artesian basin and not merely to acquire rights to use of water flowing from the well to be constructed.

M. M. Sweeney, Applicant.

M. M. SWEENEY.

APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit is issued subject to all prior rights on the source. A substantial weir must be installed and maintained to facilitate the measurement of water. The State reserves the right to regulate the use of the water herein granted at any and all times.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed 3.2 cubic feet per second.

Actual construction work shall begin on or before November 5, 1942

Proof of commencement of work shall be filed before December 5, 1942

Work must be prosecuted with reasonable diligence and be completed on or before November 5, 1944

Proof of completion of work shall be filed before December 5, 1944

Application of water to beneficial use shall be made on or before

November 5, 1946

Proof of the application of water to beneficial use must be filed with State Engineer on or before December 5, 1946

Map Filed OCT 24 1941

WITNESS MY HAND AND SEAL this 5th day

of May 1942

Cancelled JUL 6 1946 because of failure of applicant to comply with provisions of permit
