APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application,  
and do hereby grant the same, subject to the following limitations and  
conditions: This Permit is issued subject to all prior rights. A  
substantial weir must be installed and maintained to facilitate the  
measurement of water. The State reserves the right to regulate the  
use of the water herein granted at any and all times.

The amount of water to be appropriated shall be limited to the amount  
which can be applied to beneficial use, and not to exceed twelve  
cubic feet per second.

Actual construction work shall begin on or before March 10, 1944

Proof of commencement of work shall be filed before April 10, 1944

Work must be prosecuted with reasonable diligence and be completed on or  
before March 10, 1946

Proof of completion of work shall be filed before April 10, 1946

Application of water to beneficial use shall be made on or before  
March 10, 1949

Proof of the application of water to beneficial  
use must be filed with State Engineer on or before April 10, 1949

Map Filed MAY 27 1943

WITNESS MY HAND AND SEAL this fourteenth day  
of September, 1943

Superseded by Appl. # 10999 to chg. place  
of use.
