I Frank D. Rathburn Jr. first being duly sworn, depose and say that this map consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me and completed on the 27th day of August 1962; and that it truly and correctly represents the proposed location and extent of the works used to divert water from the effluent stream of Henderson Pittman Sewage Disposal Plant by H. Willard Sloan for irrigational and domestic use, that the proposed point of diversion, the approximate location of diverting channel, all other works will cross or connect with the proposed works are fully and correctly shown here.
