DENIAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby ~~grant~~ deny the same, subject to the following limitations and conditions: on the grounds that evidence of record indicates that the applicant has conveyed interest in the proposed place of use to other parties and therefore does not contemplate the application of water to beneficial use under this permit. Similarly the party to which the proposed place of use under the application has been transferred has not completed title to application 19794 and has in fact secured Permit 20491 (Certificate 6464) in lieu of pursuring Application 19794.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed ..... cubic feet per second

Actual construction work shall begin on or before

Proof of commencement of work shall be filed before

Work must be prosecuted with reasonable diligence and be completed on or before

Proof of completion of work shall be filed before

Application of water to beneficial use shall be made on or before

Proof of the application of water to beneficial use shall be filed on or before

Map in support of proof of beneficial use shall be filed on or before

Commencement of work filed
Completion of work filed
Proof of beneficial use filed
Cultural map filed
Certificate No. Issued
Recorded Bk. Page
County Recorder

WITNESS MY HAND AND SEAL this 17th day of February 1970

State Engineer.
