APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and

conditions: This permit is issued subject to all prior rights. It is understood that the 0.75 c.f.s. of water herein granted is only a temporary allowance and that the final water right obtained under this permit will be dependant upon the amount of water actually placed to a beneficial use. A suitable measuring device must be installed and measurements of water placed to beneficial use must be included in the proof of such use when filed. The State reserves the right to regulate the use of the waters herein granted at any and all times.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed 0.75 cubic feet per second.

Actual construction work shall begin on or before July 29, 1946

Proof of commencement of work shall be filed before August 29, 1946

Work must be prosecuted with reasonable diligence and be completed on or before July 29, 1949

Proof of completion of work shall be filed before August 29, 1949

Application of water to beneficial use shall be made on or before July 29, 1950 Proof of the application of water to beneficial

use must be filed with State Engineer on or before August 29, 1950

Map Filed SEP 13 1945 under 11372

Proof of commencement of work filed OCT 25 1954 WITNESS MY HAND AND SEAL this 31st day

Cancelled JAN 26 1957 because of failure of applicant to comply with provisions of permit.

of January, 1946
