Humboldt County Recorder

Alfred Merritt Smith
State Engineer.

Applicant is the owner of the Bartlett Creek Ranch, the Battle Creek Ranch and the Piute Creek Ranch in western Humboldt County, Nevada. Since prior to the year 1867 applicant and its predecessors in interest have used said ranches and the public range in the adjacent area and all water sources on said ranches and such public range for feeding and watering livestock including horses, cattle and sheep. Said ranches, such public range, and such water sources were so used for sufficient numbers of such livestock to utilize substantially all that portion of the public range readily available to livestock at all such water sources. The number, and kind of livestock, has varied, and will, vary with range and economic conditions. The applicant claims a vested right to water livestock at the source referred to in this application in sufficient numbers to utilize substantially all that portion of the public range readily available to livestock watering at such source. The filing of this application is for the purpose of making such rights of record and does not waive applicant's claim of such vested right.
