STATE OF NEVADA
COUNTY OF DOUGLAS SS:

I, Ernest E. Muller, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scales from field notes of a survey made by me on December 2, 1967; that it truly and correctly represents the location and extent of the works used to divert water from Beatty Spring and tributaries in Douglas County by VIDA M. RAY for quasi-municipal and domestic purposes. That the point of diversion, the location and names of all other works, which connect with the proposed works, and the boundary of the land proposed for use are fully and correctly designated thereon.
