Application No. 5950 Certificate Record No. 981 Book 4 Page 981

THE STATE OF NEVADA

CERTIFICATE OF APPROPRIATION OF WATER

WHEREAS, Lester S. Corey, Assistant Secretary, Vineyard Land and Stock Co. has presented to the State Engineer of the State of Nevada Proof of Application of Water to Beneficial Use, from Murdock Springs through pipelines and troughs for Stockwatering purposes. The point of diversion of water from the source is as follows: in the SE part of the SW¼ SE¼ Sec. 36, T. 39 N., R. 67 E., M.D.B.&M. situated in Elko County, State of Nevada.

Now Know Ye, That the State Engineer, under the provisions of Section 72, Chapter 140, Statutes of 1913 has determined the date, source, purpose and amount of such appropriation, together with the place to which such water is appurtenant, as follows:

Name of appropriator Vineyard Land and Stock Co.

Postoffice address Box 726, Ogden, Utah.

Amount of appropriation 0.0075 of a cubic foot of water per second.

Period of use, from March 1st to November 30th of each year

Date of priority of appropriation January 16th, 1920.

Description of works of diversion and use:-

Source of water supply consists of two springs 360 ft. apart, both of which have been excavated and walled up with rock. A two inch pipeline about 10 ft. long conveys water from one spring to two troughs each 2'x1'x16', while 18 ft. of 2 in. pipe diverts water from the other spring to two additional troughs of like dimensions. Water is thus conserved for approximately 200 head of horses, and 50 head of cattle.

The right to water hereby determined is limited to the amount which can be beneficially used, not to exceed the amount above specified, and the use is restricted to the place where acquired and to the purpose for which acquired.

IN TESTIMONY WHEREOF, I, Robert A. Allen, State Engineer of Nevada, have hereunto set my hand and the seal of my office, this 20th day of February, A.D. 1924.

Robert A. Allen
State Engineer
