APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit is issued subject to all existing rights on the source. A valve must be installed and maintained to prevent waste of water and accurate measurements of water placed to beneficial use must be taken from time to time. This source is located within an area that has been designated by the State Engineer as coming within the meaning of the provisions of the 1939 Underground Water Act as amended in 1943; therefore the State has the right to regulate the use of the water herein granted at any and all times.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed 0.4 cubic foot per second.

Actual construction work shall begin on or before June 16, 1947

Proof of commencement of work shall be filed before July 16, 1947

Work must be prosecuted with reasonable diligence and be completed on or before June 16, 1948

Proof of completion of work shall be filed before July 16, 1948

Application of water to beneficial use shall be made on or before June 16, 1949. Proof of the application of water to beneficial

use must be filed with State Engineer on or before July 16, 1949

WITNESS MY HAND AND SEAL this 18th day of December, 1946.

Filed JUN 12 1946

Proof of commencement of work filed AUG 24 1950  
Proof of completion of work filed AUG 24 1950

Cancelled OCT 22 1951 because of failure of applicant to comply with the provisions of permit

State Engineer

Alfred Merritt Smith  
State Engineer.
