APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit is issued subject to all existing rights.

Since the source of this water is the Las Vegas Disposal Plant, such waters would be classed as waste waters. Therefore, the permit granted herein carries with it no provisions or guarantee for the continuous use of such waste. This permit is issued only for irrigation purposes as the water to be appropriated hereunder is unfit for domestic use.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed 0.6 cubic feet per second.

Actual construction work shall begin on or before October 28, 1947

Proof of commencement of work shall be filed before November 28, 1947

Work must be prosecuted with reasonable diligence and be completed on or before October 28, 1949

Proof of completion of work shall be filed before November 28, 1949

Application of water to beneficial use shall be made on or before October 28, 1950. Proof of the application of water to beneficial

use must be filed with State Engineer on or before November 28, 1950
