APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit to change the point of diversion of the waters of an underground source as heretofore granted under Permit 14147, is issued subject to the terms and conditions imposed in said permit No. 14147 and with the understanding that no other rights on the source will be affected by the change proposed herein. A substantial headgate and weir must be installed at or near the new point of diversion to facilitate the measurement and control of water. The State reserves the right to regulate the use of the water under this proposed change at any and all times.

The amount of water to be changed shall be limited to the amount which can be applied to beneficial use, and not to exceed 3.5 cubic feet per second or a yearly duty of 5.0 acre-feet per acre of land irrigated.

Actual construction work shall begin on or before February 27, 1963

Proof of commencement of work shall be filed before March 27, 1963

Work must be prosecuted with reasonable diligence and be completed on or before February 27, 1964
