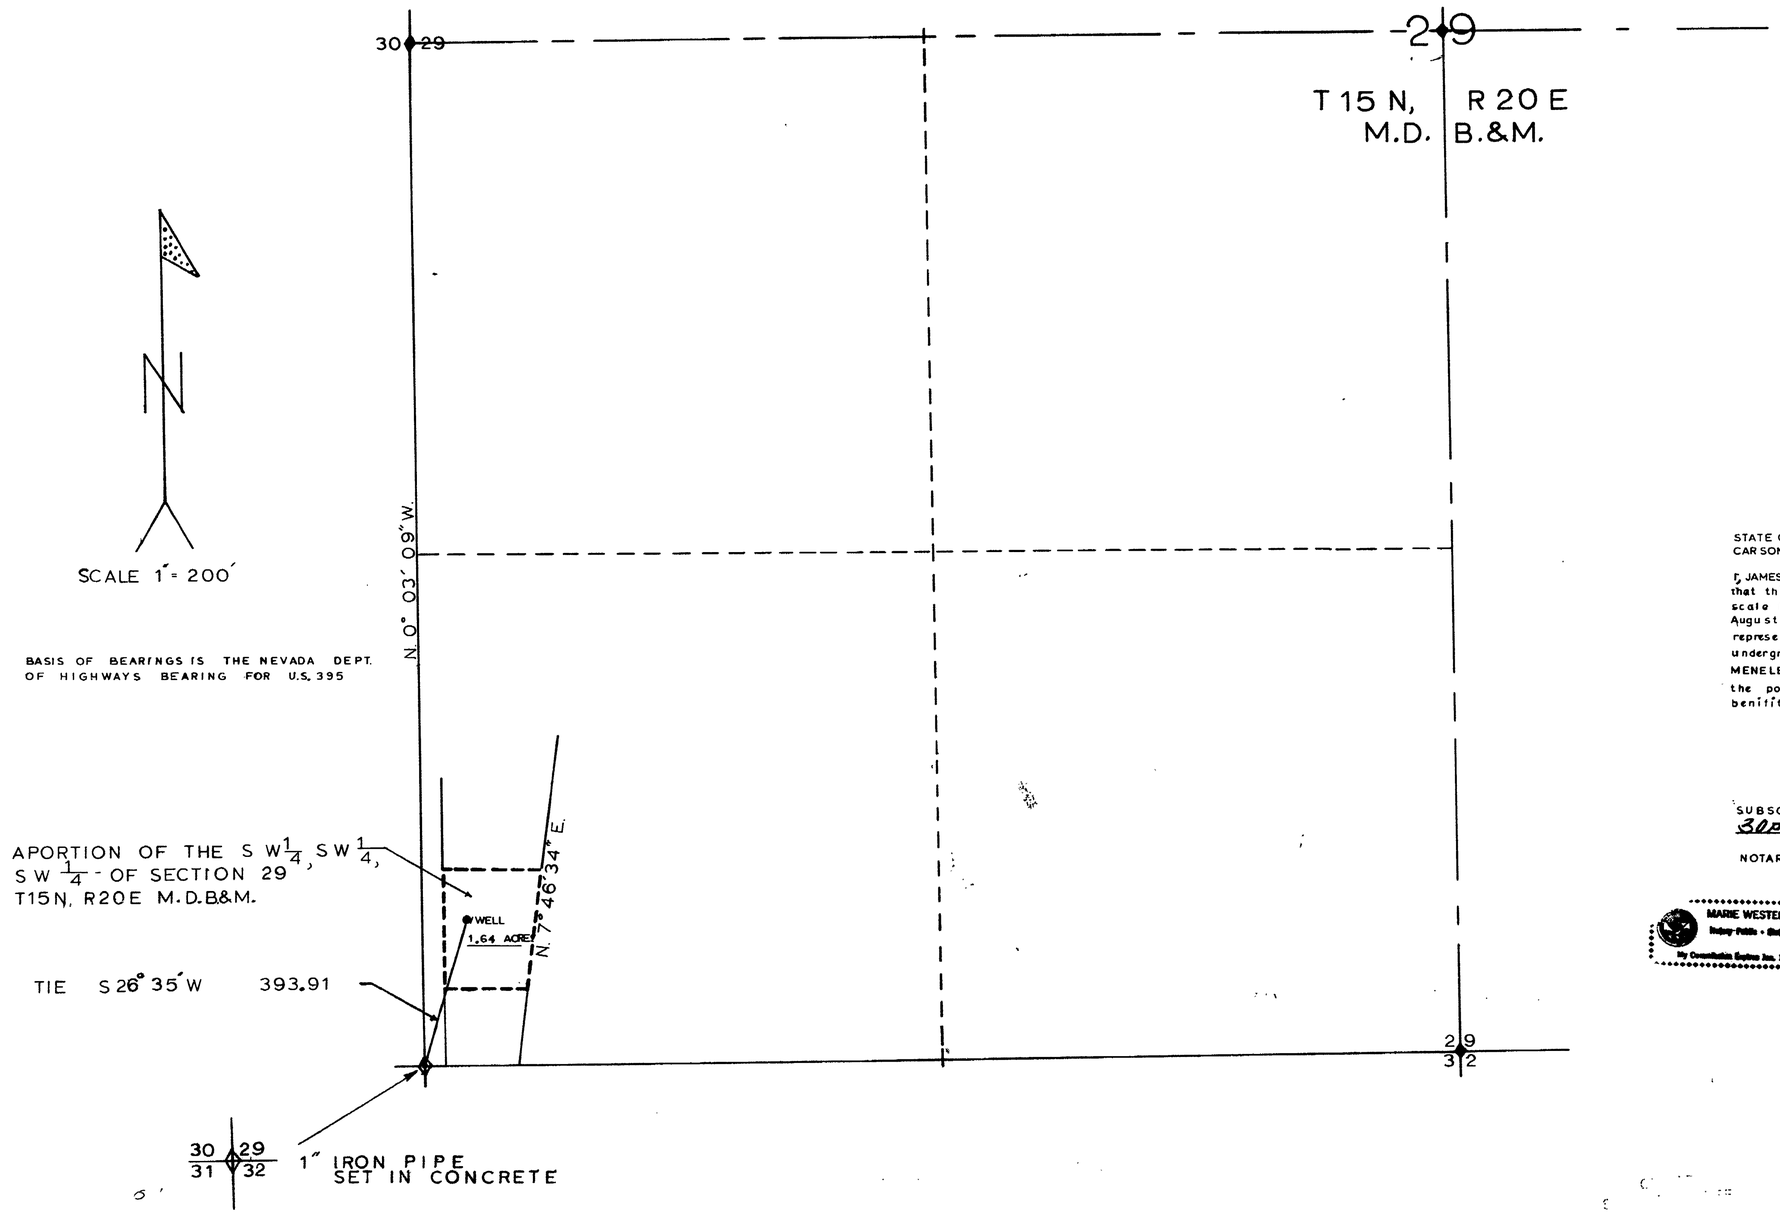
WATER RIGHTS MAP



STATE OF NEVADA
CARSON CITS S S

I, JAMES A RANKIN, Being first duly sworn depose and say that this map has been correctly drawn to the designated scale from field notes made by me between the 15th day of August 1972 and the 1st day of September 1972; that it truly represents the location to be used to divert water from an underground source in Carson City by MENELEY MOTORS INC. for commercial purposes. That the point of diversion and the boundary of all lands benifited are fully and correctly shown heron.
