I, William A. Reinken, being first duly sworn, depose and say that this map, consisting of one sheet has been correctly drawn to the designated scale from field notes of a survey made by me on the 30th day of September, 1972; that it truly and correctly represents the location and works used to divert water from an underground source in Carson City, Nevada, by Donn M. Simons and Jerry A. Mellow for commercial and domestic purposes.

That the point of diversion and the boundary of the place of use are correctly designated thereon.
