I, Richard J. Baughman being first duly sworn, depose and say that this map consisting of one sheet has been correctly drawn to the designated scale from field notes of a survey made under my supervision and direction on the 26th day of November, 1974. That it truly and correctly represents the location and extent of works used to divert water from an underground source in the Pahrump Valley Basin in Nye county, Nevada by Earl Burson for irrigation and domestic purposes under application and permit number 24179. That the existing point of diversion under application and permit number 24179 and the place of use of a portion of the water are correctly designated hereon; and that the lands upon which water appropriated under application and permit number 24179 are to be used is accurately outlined hereon and said lands are owned or controlled by the applicant.
