STATE OF NEVADA
COUNTY OF WASHOE ss

I, Eugene B. Langfield, being first duly sworn, depose and say that this map, consisting of two sheets, has been correctly drawn to the designated scale from a survey made by me on the 13th day of March, 1973; that it truly represents the location and extent of the works used to divert water from an underground source in Washoe County, Nevada by Rockwell International Corporation for quasi-municipal and domestic purposes; that the points of diversion and the boundary of the land to be served are fully and correctly designated thereon.
