APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit is issued subject to all existing rights on the source. It is understood that the 2.0 cubic feet of water per second herein granted is only a temporary allowance and that the final water right obtained under this permit will be dependant upon the amount of water actually placed to a beneficial use.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed 2.0 cubic feet per second.

Actual construction work shall begin on or before April 6, 1951

Proof of commencement of work shall be filed before May 6, 1951

Work must be prosecuted with reasonable diligence and be completed on or before April 6, 1952

Proof of completion of work shall be filed before May 6, 1952

Application of water to beneficial use shall be made on or before

April 6, 1954. Proof of the application of water to beneficial

use must be filed with State Engineer on or before May 6, 1954

Map Filed FEB 13 1950

Proof of commencement of work filed MAY 4 1954

Proof of Completion of work filed APR 23 1956

PROOF OF BENEFICIAL USE FILED APR 23 1956

WITNESS MY HAND AND SEAL this 20th day of July, 1950

Permit No 4461 Issued Oct 25, 1956 for 2.0 cfs for mining
