APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit to appropriate drainage water is issued subject to all existing rights on the source and further subject to the availability of such water at the point of diversion. A substantial weir or other type of measuring device must be installed and maintained at or near the point of diversion and measurements of water use made. The State retains the right to regulate the use of the water herein granted at any and all times.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed 3.2 cubic feet per second.

Actual construction work shall begin on or before October 24, 1951

Proof of commencement of work shall be filed before November 24, 1951

Work must be prosecuted with reasonable diligence and be completed on or before October 24, 1952

Proof of completion of work shall be filed before November 24, 1952

Application of water to beneficial use shall be made on or before October 24, 1953. Proof of the application of water to beneficial

use must be filed with State Engineer on or before November 24, 1953

Map Filed JAN 2 2 1951
Proof of commencement of work filed SEP 2 6 1951
Proof of Completion of work filed NOV 17 1952
PROOF OF BENEFICIAL USE FILED JAN 2 1 1955

WITNESS MY HAND AND SEAL this 1st day of May, 1951

Alfred Merrill Smith
State Engineer.
