APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions: This permit is issued subject to all existing rights on the source. Since the source of water is the City of Henderson Sewage Disposal Plant, no right of continuance or guarantee of flow is guaranteed; that is, the right is subject to the availability of water. A meter must be installed in the discharge line near the point of diversion, and accurate measurements must be kept of water placed to beneficial use. The State retains the right to regulate the use of water herein granted at any and all times.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed 2.2 cubic feet per second, but not to exceed a yearly duty of 5.0 acre-feet per acre of land irrigated from any and/or all sources.

Actual construction work shall begin on or before March 26, 1970

Proof of commencement of work shall be filed before April 26, 1970

Work must be prosecuted with reasonable diligence and be completed on or before March 26, 1971

Proof of completion of work shall be filed before April 26, 1971

Application of water to beneficial use shall be made on or before March 26, 1974

Proof of the application of water to beneficial use shall be filed on or before April 26, 1974

Map in support of proof of beneficial use shall be filed on or before April 26, 1974
