APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions: This permit to appropriate waste water is herewith granted subject to existing rights. Since this permit is to appropriate waste water, it is understood that the permit herein granted is issued subject to the availability of water and carries with it no provision or guarantee for the continuous use of such waste water.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed 5.0

cubic feet per second, and not to exceed a yearly duty of 4 acre-feet per acre of land irrigated.

Actual construction work shall begin on or before May 3, 1956

Proof of commencement of work shall be filed before June 3, 1956

Work must be prosecuted with reasonable diligence and be completed on or before May 3, 1958

Proof of completion of work shall be filed before June 3, 1958

Application of water to beneficial use shall be made on or before May 3, 1959. Proof of the application of water to beneficial

use must be filed with State Engineer on or before June 3, 1959
