STATE OF NEVADA

SS.

COUNTY OF WHITE PINE

I Randal L. Briggs, being first duly sworn, depose and say that this map, consisting of one sheet, inclusive, has been correctly drawn to the designated scale from field notes of a survey made under me, (or my supervision and direction), on the 16th day of July, 1991 and that it truly and correctly represents the proposed location and extent of the works used to divert water from an underground source in White Pine County, by Western States Minerals Corporation for mining purposes. That the proposed point of diversion, the approximate location and size of the diverting channel or other conduit, the place of use and manner of use and the location and names of all other works or streams which are crosses by or connected with the said works, are fully and correctly designated thereon.
