I, William A. Nisbet, being first duly sworn, depose and say that this map, consisting of ONE sheet, has been correctly drawn to the designated scale from field notes of surveys made by Bruce W. Borgen on the 1st day of September, 1986 (Place of Use) and by Kurt E. Criss on November 12, 1991 (Point of Diversion); that it truly and correctly represents the proposed location and extent of the works used to divert water from an UNDERGROUND SOURCE in Eureka County by ELKO COUNTY for RECREATION PURPOSES. That the proposed point of diversion, the approximate location and size of diverting channels or other conduit, the place of use, and the location and names of all other works or streams which are crossed by, or connected with the said works, are fully and correctly designated thereon.
