This sheet inspected, Engineer.

APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit to store 500 acre-feet of water between September 1st and April 1st for irrigation on 200 acres of land is issued subject to all existing rights on the source. The proof of beneficial use and cultural map, when filed, must show the maximum amount of water stored and released during any one year, and the lands on which such water was used. The State retains the right to regulate the use of the water herein granted at any and all times.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed 500 acre-feet.

~~XXXXXXXXXXXXXXXXXXXX~~

Actual construction work shall begin on or before August 4, 1953

Proof of commencement of work shall be filed before September 4, 1953

Work must be prosecuted with reasonable diligence and be completed on or before August 4, 1955

Proof of completion of work shall be filed before September 4, 1955
