APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions: This permit is issued subject to all existing rights on the source. It is understood that the amount of water herein granted is only a temporary allowance and that the final water right obtained under this permit will be dependent upon the period of use and the average number of cattle served from the waters of this source. The State retains the right to regulate the use of the water herein granted at any and all times but does not take responsibility for the use of the Federal range.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed 0.0052

cubic feet per second, or sufficient water to water 150 head of cattle and 20 horses.

Actual construction work shall begin on or before March 20, 1966

Proof of commencement of work shall be filed before April 20, 1966

Work must be prosecuted with reasonable diligence and be completed on or before March 20, 1967

Proof of completion of work shall be filed before April 20, 1967

Application of water to beneficial use shall be made on or before

March 20, 1968. Proof of the application of water to beneficial

use must be filed with State Engineer on or before April 20, 1968

Map Filed APR 20 1963
Commencement Filed DEC 15 1965

WITNESS MY HAND AND SEAL this 20th day of September, 1965

GEORGE W. HENNEN
State Engineer.

By [Signature] Assistant State Engineer
