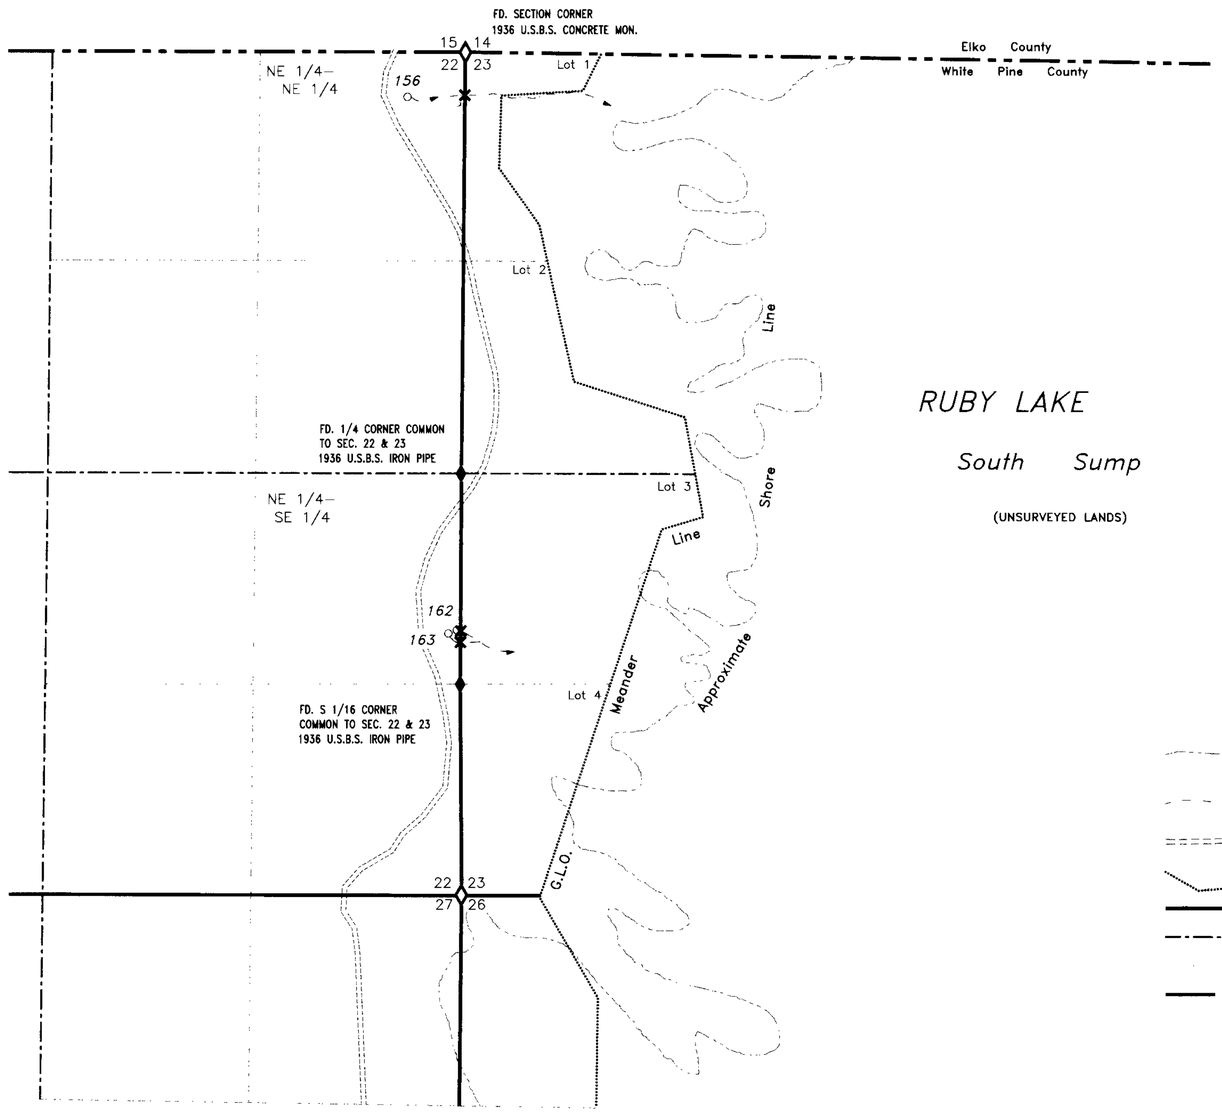
WHITE PINE COUNTY, NEVADA



STATE OF OREGON
COUNTY OF MULTNOMAH } ss.

I, Michael L. Richey, being first duly sworn, depose and say that site inspections have been made by me on March 22, 1995; that the location of each reference monument has been verified by site inspection; that the point of diversion and place of use site sheet, numbered 1, has been correctly drawn to the designated scale from surveying calculation notes prepared by me, relying upon analysis of survey maps and other surveying documents in the office of the U.S. Fish And Wildlife Service, 911 N.E. 11th Ave., Portland, OR 97232-4181; that this map truly and correctly represents the proposed location and extent of the works used to divert water from unnamed springs (I.D. numbered 156, 162, and 163) in White Pine County, Nevada by the U.S. Fish and Wildlife Service.
