Application No. 17655 Certificate Record No. 5251 Book 16 Page 5251

THE STATE OF NEVADA
CERTIFICATE OF APPROPRIATION OF WATER

WHEREAS, Marvin B. Seldin, Plant Manager has presented to the State Engineer of the State of Nevada Proof of Application of Water to Beneficial Use, from an underground source through well, pump and distribution system for milling and domestic purposes. The point of diversion of water from the source is as follows: SE¼ NE¼ Sec. 18, T. 32 N., R. 45 E., M.D.B.&M., or at a point from which the E¼ corner of said Sec. 18 bears S. 45° 47' E., 885.77 feet situated in Lander County, State of Nevada.

NOW KNOW YE, That the State Engineer, under the provisions of NRS 533.425, has determined the date, source, purpose, amount of appropriation, and the place where such water is appurtenant, as follows:

Name of appropriator Magnet Cove Barium Corporation

Post-office address Battle Mountain, Nevada

Amount of appropriation 0.368 c.f.s.

Period of use, from January 1st to December 31st of each year

Date of priority of appropriation September 8, 1958

Description of works of diversion, manner and place of use: Water is developed by means of a drilled well and is pumped through a pressure system to the place of use located in the same subdivision as the point of diversion where it is used in a barite floatation plant and for domestic purposes.

The right to water hereby determined is limited to the amount which can be beneficially used, not to exceed the amount above specified, and the use is restricted to the place and for the purpose as set forth herein.

IN TESTIMONY WHEREOF, I EDMUND A. MUTH, State Engineer of Nevada, have hereunto set my hand and the seal of my office, this 9th day of November, A. D. 1961.
