
STATE OF NEVADA
COUNTY OF WHITE PINE } SS

I, G. S. Quate, being first duly sworn, depose and say that this map, consisting of one sheet only, has been correctly drawn to the designated scale from field notes of a survey made by me on the 13th day of December 1928; that it truly and correctly represents the location and extent of the constructed works used to divert water from Kinsley Spring in White Pine County, by B. H. Robison for stockwatering purposes. That the actual point of diversion, the approximate location and size of the diverting channel or other conduit, the place and manner of use, and the location and names of all other works or streams which are crossed by, or connected with the said works, are fully and correctly designated thereon.

G. S. Quate
State Water Right Surveyor

Subscribed and sworn to before me this 14th. day of December 1928.
